

DIGITAL DANGERS PROTECTING OUR CHILDREN

The Digital Dangers presentation is dedicated to the prevention of internet related crime by equipping students and parents with the prevention principles, strategies and tools to safely navigate the digital world.

Presentation will be led by Officer Don Stanko. Officer Stanko has been working as a police officer in Franklin County, Ohio since 1992. During his career, Officer Stanko helped create many programs focused on personal safety.

Please plan on attending this informative evening.

A presentation to students in grades 5-8 will be held on Monday, October 2nd, 2017 during the school day.

**Digital Danger
Parent
