

Mrs. Petit...the Polar Bear?!

Yes, you heard that right! Mrs. Petit has decided to become a polar bear. Well okay, not a real one, but she is going to jump into freezing cold water, like the polar bears do, to help support some very worthy causes. She will be participating in the Portage Lakes Polar Bear Jump on February 17th to help raise money for the Ronald McDonald House and The Akron Rotary Camp.

Here's how you can get involved! There will be a \$1.00 dress down day on February 15 for anyone who would like to help donate to these great causes.

Additional donations are appreciated but certainly not necessary.

Catholic Schools
Learn. Serve. Lead. Succeed.
