Dear Parents,

In light of what has recently occurred in Florida, I want to assure you that student safety is always a main priority with us. Arrivals and dismissals are monitored. The doors are kept locked during the day, and students know they are not permitted to open doors even for staff members. We have cameras throughout the building monitoring entrances and main areas within the school at all times. We practice drills monthly to review preparedness. This past week, we also practiced lunchroom and playground drills. The Garfield Police will monitor our lockdown drill next week.

Please know that every one of us has your child/children's wellbeing at heart. Please feel free to contact me if you have any questions or concerns.

God bless,
