

Board Game Club Leader Training

For 6th, 7th, and 8th grade Table Leaders

When: Thursday, September 14, 2017

Time: After school until 4:00 PM

Why: To train leaders who will assist with the Board Game Club

This day is for students who have been part of the board game club in the past and have demonstrated that they are responsible and able to lead others. They are willing to teach a game to their peers and help make sure the games are put away properly afterwards. Sometimes they help set up the room at the start of the club. We will learn a few new games and review some they already know on this day.

If you have questions please contact Mr. Nelson by sending a note with your student or by E-mail: dnelson@stbenedictohio.com
