

2022 SBCS Calendar Fundraiser

Dear SBCS Families,

This year, St. Benedict Catholic School is sponsoring a calendar fundraiser for May of 2022! The proceeds from this fundraiser will help us continue the wonderful programs we offer to our students. The programs will enhance the educational development of our students, as well as provide many other opportunities for quality learning experiences.

The calendar for the month of May has prizes listed for each day of the month. Each prize is worth \$50.00. A name will be drawn each day, and the designated prize for that day will be given to the winner. The winner will be contacted on the day of the drawing. **The cost of the calendar is \$10.00. For this amount, you will have 31 chances to win! We are asking each family to sell at least two calendars, which are included with this letter. By purchasing two calendars, your chances of winning are doubled!**

Please complete the bottom of the calendar and return it to the school office with the payment. Checks should be made out to St. Benedict School. Additional calendars will be available in the school office. **The top-selling family will receive an iPad valued at \$350.00!**

Thank you for helping us continue the exceptional education that St. Benedict School provides for your children. May God bless you and your families.
